Senior Section

Deadlines

The final deadline to submit tax documents and the questionnaire is this Thursday, August 31st / Friday, September 1st. Parents completing FAFSA at home do not need to turn in taxes unless they are interested in support with scholarship eligibility. Please contact Ms. Paiz if you have questions

Scholarship Corner

The Gates Scholarship application is OPEN! Seniors who have a 3.3 GPA and who are Pell eligible should apply. The scholarship covers the entire cost of attendance (tuition, room-board, books). We will be evaluating Pell eligibility for students who have taxes on file. Seniors/parents who do not have taxes on file can evaluate their eligibility through FAFSA4caster. Any student pursuing the Gates Scholarship should contact their counselor for support through this application. Please contact Ms. Paiz if you have questions.

College Exploration Days

This year Seniors will be participating in eight College Exploration days during 9-11 interim testing. College Exploration days give seniors the flexibility to choose what college related item to work on either on or off campus. This time should be dedicated to participating in a college visit or finalizing college applications with counselors. We strongly suggest Seniors schedule appointments with their counselor in advance. Full uniform is required for all seniors who are in the building on these days.
